ABOUT CALOUNDRA ROTARY

www.rotary.org

PEOPLE OF ACTION

Rotary is a global network of 1.2 million volunteers using their passion, energy and problem solving skills to take action on sustainable projects. Whether local community or international projects, Rotarians put "Service before Self" in their commitment to make a difference to the lives of so many.

Our club is proud to be part of this community.

We focus on six key areas - promoting peace, fighting disease, providing clean water including sanitation and hygiene, saving mothers and children, supporting education together with growing local communities.

We are a group of community and business leaders representing different professions, experiences, and perspectives. We all share a desire to connect with others to address the challenges affecting our local community and communities around the world.

MAKING A DIFFERENCE

Caloundra Rotary works both locally and internationally. We partner with various organisations to pool our strengths to solve real problems. At any time we have many on going projects in various stages of progress and always remain committed to the end. Financing all our activities is challenging and we welcome sponsors who may wish to contribute to any of our causes.

We are involved long term with many projects: here are just a few examples:

- Ending polio – in partnership with The Bill and Melinda Gates Foundation
- School Bursary and Scholarship schemes with schools and USC
- Youth development programs – Leadership, developing potential and self esteem
- Rotary Young Drivers awareness program - RYDA - for year 11 students
- Support for drought and flood areas within Australia
- Support for women's Bio Toilets in Bhurbaneswar, India
- Pre-school swimming initiative – Sunshine Coast
- Support for medical aid for children - ROMAC

GET INVOLVED

Becoming a member of our club will provide you with immense satisfaction and life long friendships. Jointly we will be working hard to improve the lives of so many. You will also be part of a family of like minded Rotarians with clearly defined objectives to improve the local community and further afield.

We welcome people from all walks of life - check our website for a more detailed list of our current projects.

Membership of Rotary is a commitment and, above all, a life journey that is rewarding in itself. The Rotary Club of Caloundra is well established and a respected force in the community - we are well placed to make a difference.

Why not come along to one of our meetings and see us at work first hand - you are assured of a warm welcome.
